

REVIEW FORMAT

For submission to Manuscript Central

Please prepare a manuscript for peer review according to the following guidelines:

1. The manuscript should be formatted in one single column, double-spaced, with the figures in the back of the manuscript.
2. The manuscript may not exceed 30 double-spaced pages for papers (12 pages for letters, 7 pages for communications).
3. Font size of 11 points or larger can be used.
4. Margins of at least 1" on all sides can be used.
5. The manuscripts should be converted to **PDF** for upload to Manuscript Central. Alternatively, Manuscript Central can convert MS Word files to PDF, but please proof-read the converted manuscript to make sure it is correct.
6. The abstract must be no more than 200 words for regular papers.
7. Figures should appear at the back of the text, one figure per page. A separate list of figure captions should be included, keyed to figure numbers marked on each illustration.
8. References should appear in a separate reference section at the end of this paper with items referred to by numerals in square brackets. References must be complete in the IEEE style as follows:
 - Style for papers: Author(s), first initials followed by last name, title, periodical, volume, inclusive page numbers, month, year.
 - Style for books: Author(s), title, location, publisher, year, chapter, page numbers.
